

THE BAHAMAS NATIONAL GEOGRAPHIC INFORMATION SYSTEMS (BNGIS) CENTRE

Ministry of The Environment

Bay and Armstrong Streets
c/o P.O. Box N-3040
Nassau, BahamasSPATIAL DATA ERROR DETECTION FORMTele: (242) 326-8536/8562/8563
Fax: (242) 326-8535

This Form serves to document any discrepancy or error in the GIS Data provided by agencies which is posted to The Bahamas Spatial Data (BSDI) Library. All notification of errors should be facilitated by GIS Liaison Officers. Please complete and submit this form to The Director, BNGIS Centre. The Centre will conduct the initial research on all errors. Anomalies or queries will be referred to the originator for clarification/correction/removal of the data. An update will be provided to you as soon as possible.
